

Centre for Brain Research
An Autonomous Centre of Indian Institute of Science
Bangalore - 560012
Admission for Ph.D. Program-2021

Centre for Brain Research (CBR) invites applications from Indian nationals from eligible and highly motivated candidates for admission to **full-time Ph.D. Program** beginning on **August 1, 2021**. It is a recognized research centre for Ph.D. program by Manipal Academy of Higher Education (MAHE), Karnataka. The PhD degree will be awarded by MAHE.

CBR promotes interdisciplinary research in basic and clinical neuroscience to understand disorders of the aging brain through advanced genetic, biochemical, neuroimaging, and neurocognitive areas. These studies involve integrated approaches to understand age-related brain disorders at various levels from molecules to behavior using multiple model systems. CBR has state of the art Next Generation Sequencing (NGS), GWAS, and imaging facilities to support this research.

Eligibility:

Master's degree in any branch of Science or four-year bachelor's degree in any branch of Medicine/ Engineering/ Technology/ Pharmacy/ Veterinary Science.

Preference would be given to those who have qualified national level fellowship tests, such as, CSIR-UGC NET for JRF/ UGC NET for JRF/ DBT-JRF/ ICMR-JRF/ INSPIRE fellows (for Ph.D.).

Candidates interested to work in the areas of neurobiology of disease, human genetics, bioinformatics, neuroimaging are encouraged to apply.

Candidates in the final year of their respective courses are also eligible to apply, provided they successfully complete the program before July 31, 2021.

Last Date:

Candidates should submit their applications online by **June 14, 2021**.

The Online applications will be screened, and the shortlisted candidates will be called for **online** interview. Candidates will be selected for Ph.D. program based on their academic record and performance in the interview process.

For further detailed information on area of research, admission process and other information, please refer the website.
